Ethan,

Mom noticed on your bank account that $797.90 was taken out of your account for airplane tickets to & from Indianapolis in December on your Christmas break. We will be in South Carolina for the next 4 months so we can pick you up at the Army base for Christmas break. Mom called the Red Cross & they are going to notify the Army that you want to cancil the tickets, if they can. If they can't get it done you may lose your money for the tickets. The main thing is to not go to Indianapolis because we will not be there, we are in South Carolina. Mom transfered som money from savings to checking so you can have some spending money, See attached paper.

Hows every thing going. We are leaving at 5:00 AM & we will be in South Carolina in about 12 hours.

We have to leave Indiana because its going to freeze soon & we don't want the water lines in the camper to freeze & bust.

Don't be upset about the money you might lose, shit happens. If the army would let you have your phone more often this probably wouldn't have happen. Just Remember we are very proud of you & love you with all our ~~bear~~ hearts. Take care & be strong.
